<p>
    five website that really important to my phone and laptop because
    it is everyday used specially when the school is on , also more people to used it
    not only me , however this website is helpful for my studies ,you now why
    because they give an information that need to know and also the lessons that
    need to learn to understand , the emails that needs to see and to give attention
    because sometimes they have a lot of unexpected emails from the others.
